# COMPANY PROFILE

---

FAAO sanitary Ware was established in 2001. We are professional manufacturers engaged in production, sales and service in the industry of faucets and bathroom accessories. To keep ahead and maintain a leadership position we have our own in-house R&D department. We are located in the heartland of sanitary ware production-Haicheng, Longwan, Wenzhou City Zhejiang Province with convenient transportation access.

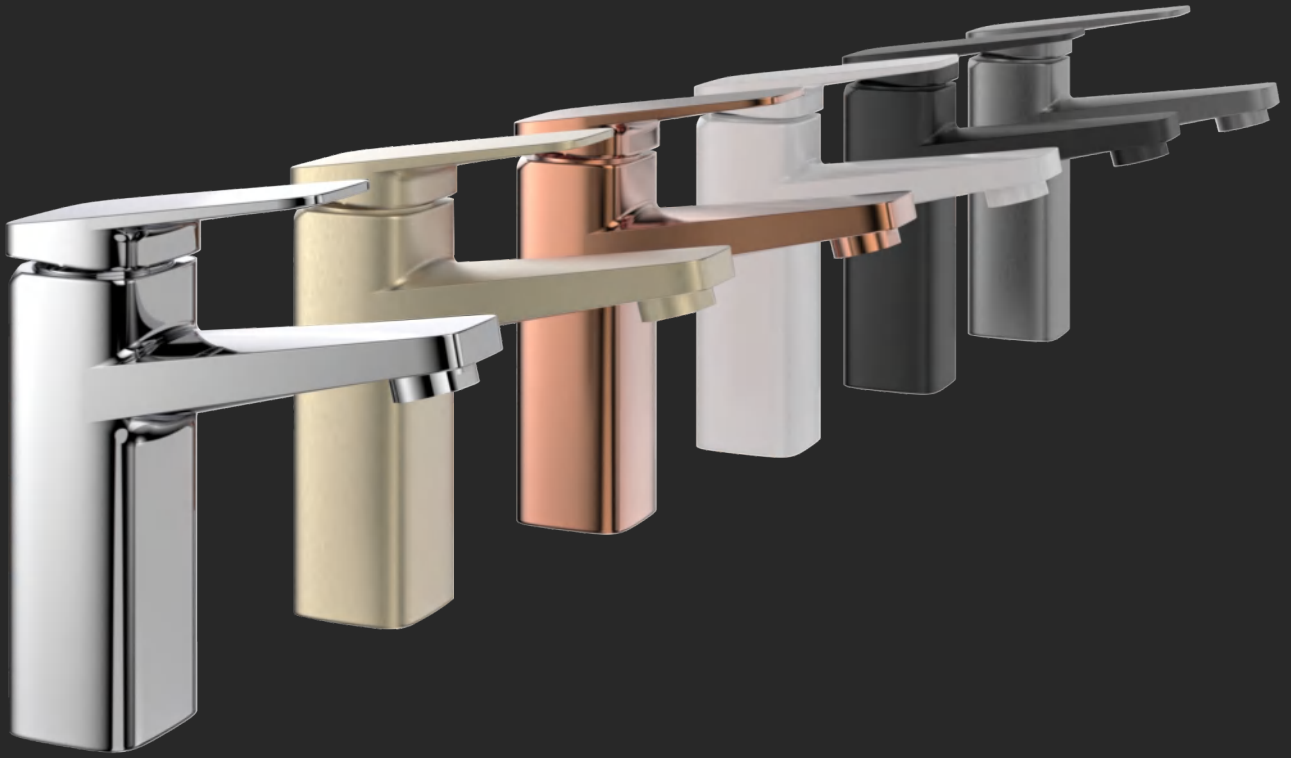

The president of FAAO was a professional technician with excellent experience in the sanitary ware industry before founding his factory. We place emphasis on enhancing the quality of products and training. Strict quality control is performed in every procedure from material sourcing, processing and testing to packing.

We design & develop new products every season. Many designs have won the COTTON-TREE Prize The Chinese original products design awards. In addition, We have passed ISO9001:2001 Quality Management System and hold many patents.

Our marketing team is sensitive to changing trends and fashions. Our products are sold in more than 60 countries around the world. The quality of our products generates sales, allowing our marketing team to concentrate on customer needs and satisfaction. We have participated in several domestic and international exhibitions.

FAAO aims for product excellence and customer satisfaction. We welcome customer input towards improving products and our common marketing goals.
